Secretary

WORKSHOP

OBJECTIVE OF THE WORKSHOP

MPPSC is committed to conduct the examination in free, fair and transparent manner and has introduced Computer based Online examination System recently. For the purpose MPPSC wants to establish following before results are announced:

1. The roll numbers once generated as per the prescribe logic remained intact.
2. The responses submitted by candidate in the end of examination remained intact.
3. The result is generated on the basis of responses given by the candidates, model answer key and marking logic only.

The objective of conducting this workshop is to find out the capability available with various agencies to certify that the examination conducted has followed the norms mentioned above.

WHO CAN PARTICIPATE

1. All agencies expert in electronic data analysis
2. Experience in IT process audit
3. Prior experience in Forensic analysis of IT data and certification

Please give your confirmation within a week time and register yourself for presentation slot, by e-mailing on secretarypsc-mp@nic.in and/ or sunita.bahadur@mapit.gov.in.

About Organisers

The Madhya Pradesh Public Service Commission (MPPSC) is an institution constituted under section 315 of the constitution, which has mandate to conduct competitive examination for recruitment of officers and executive employees for various departments of Government of Madhya Pradesh. The main objectives are to conduct the examination in free fair and transparent manner so as enkindle faith in neutrality of the commission. The commission conducts around 15 examinations per year including state civil service examination. Around 4 lacs candidates appear in these examinations every year.

The prime focus of the Commission is to:

- Ensure,
 - integrity and sacredness of examination,
 - maintain secrecy till results are declared and
 - transparency
 - impartiality, accountability in whole process of competitive examination;
- Improve examination and evaluation practices;

To achieve these objectives, the Commission:

- Prescribe scheme of examination to select suitable candidates for advertised posts.
- Prescribe syllabus for various examinations.
- Prescribes the condition for conduct of competitive examination to select suitable candidates.

In order to improve the quality of conduct of Examination with more transparency, accuracy, impartiality along with reduction in time, the Commission has decided to automate /computerized process of conduct and management. The Commission has already selected a service providing agency to automate the complete Examination process starting from Candidate registration to Result declaration. Now MPPSC wants to ensure that the result generated through the automated process are based on the original responses of the candidates submitted during the conduct of online examination. The examination has been conducted in free and fair atmosphere, the examination data collected is as it should be, transported and stored in a temper proof manner and result thus generated is based on original responses of the candidates.
